

HEALTHCARE & MEDICAL FLOORING

Unique Commercial Flooring – Since 1925

Seamless, Decorative, Slip/Chemical Resistive Flooring

Allegheny Installations is a full service commercial flooring installer that specializes in decorative epoxy, terrazzo, and seamless waterproofing flooring systems. Our floors are mixed and poured at your location to create your own unique, custom floor. Our highly skilled mechanics will furnish and install any size project throughout the tri-state area. We are committed to being the regional leader for healthcare and medical industry flooring systems.

Sanitary Flooring

We have been supplying custom flooring to the healthcare industry for nearly a century, and are keenly aware of the performance requirements for these facilities. Our floors provide a durable surface that resists chipping which minimizes places that harbor dirt, germs, and microbes. In addition, our seamless floors have no welded joints to crack and curl, thus eliminating tripping hazards. These floors are available with a built-in antimicrobial additive that ensures long-term sanitary conditions.

The Smart Choice

- ✓ Low VOC
- ✓ Low life-cycle costs
- ✓ Durable
- ✓ Antimicrobial
- ✓ Waterproof
- ✓ Qualifies for LEED credits
- ✓ Ease of maintenance
- ✓ Fast curing
- ✓ Sanitary
- ✓ Seamless

Our Mission

The foundation of our success is our commitment to providing superior service and maintaining long-term client relationships, while offering nothing less than customer satisfaction. We pledge to continue to be responsive to the needs of our clients. Since 1925, three generations of the Toole family have built a long-standing reputation for exceptional quality,
